MAID OF THE MEADOW, VODKA

SALES INFORMATION

- Premium vodka distilled from 100% NY State White Winter Wheat.
- Infused with an exotic blend of wild botanicals and raw, local wildflower honey from the Adirondacks.
- Musky notes of elderberry, a veil of fruitiness from raspberry leaves and lemon balm, and undertones of a light amaro-like bitterness from dandelion and burdock roots.
- Delicately balanced by a honey top note—we have created a versatile spirit that can be used in cocktails for every season.
- Delicious in black tea. Or chilled with champagne layered on top.

BRANDING ELEMENTS

- Signature blue wax seal.

VISKILL VODKA

SALES INFORMATION

- Premium vodka distilled from 100% NY State White Winter Wheat.
- Distilled 10 times and filtered continuously for 3 days with carbonized coconut husks.
- Flavor profile most similar to Ketel One.
- Produced in Beacon, NY.
- 80 Proof. Avail in 750mls.

BRANDING ELEMENTS

- Viskill is the original Dutch name for the Fishkill Creek that runs through the Hudson Valley where this spirit is made.
- During the Revolutionary War, Continental Soldiers camped along the creek. Their officers wore a blue sash similar to the stripe on the bottle to distinguish themselves from the foot soldiers.
- The snake and slogan was Benjamin Franklin's call to have the colonies join together.
- Signature blue wax seal.
